

E-Waste Recycling

The Ottawa Valley Waste Recovery Centre (OVWRC) can now accept certain types of e-waste for recycling and proper disposal. Residents and businesses of Petawawa, Pembroke, Laurentian Valley, North Algona Wilberforce and the Sebastopol Ward of Bonnechere Valley can drop off Waste Electrical and Electronic Equipment (WEEE) materials (see list below), free of charge, at the OVWRC's Hazardous or Special Waste Depot during normal operating hours. We require 24 hours notice for quantities greater than ten units. Please ensure to wipe off all personal information from computers before dropping them off.
